Key Features

Head & Lumbar Adjustment

Get greater comfort with independent head tilt and lumbar support that can be adjusted to your individual needs.

Lift Up Access for Easy Exit

Our Atlantis Chair comes with the essential feature of enabling you to lift the chair up and exit safely.

Double Arm-Rest Storage

This feature is a game changer, offering users the ability to store their belonging, cups of coffee and more!

Extra Cushioning & Foot Bar

Our Atlantis Chair also features extra soft plush cushioning and an extension foot bar for those giants among us.

Accessories

Protective Chair Cover

Prolong the life of your lift recliner chair with a protective chair cover. Available in grey and brown with elastic straps for added security.

Extended Battery Back Up

Our li-ion battery pack lets you use the chair for extended periods without power (suitable for homes with frequent power outages).
